

Core Curriculum Outcomes Assessment Summary Form

This form is to be completed by a representative from the Core Curriculum Assessment Sub-Committee. The information provided in this form will be used by University of Detroit Mercy to inform stakeholder groups about Detroit

5. Results, Planned Actions, and/or Actions Taken

assessment results and how they are being used. Include a summary of what was learned during the norming session, the rubric score and scale, an action plan, and plans to enhance student learning. *

Briefly summarize the assessment results and faculty discourse captured in the interpretation of the scores.

<p>... was fairly straightforward! The rubric and learning outcomes were reviewed and discussed. The reflection session revealed some strengths and areas in need of improvement. It is always useful, whenever it may be challenging to capture all learning outcomes in a portfolio, to have some items similar to the best kind of portfolio. One of the things we will discuss is how to best capture the learning outcomes in a portfolio.</p> <p>... through the use of the rubric and learning outcomes. However, it is important to have a clear understanding of the rubric and learning outcomes. It is also important to have a clear understanding of the rubric and learning outcomes. It is also important to have a clear understanding of the rubric and learning outcomes.</p> <p>... the way we do it. We will be discussing the rubric and learning outcomes. We will be discussing the rubric and learning outcomes. We will be discussing the rubric and learning outcomes.</p>	<p>The norming and learning session revealed a few sample artifacts were scored. In general, while portfolios are a good way to capture learning outcomes, it is important to have a clear understanding of the rubric and learning outcomes. It is also important to have a clear understanding of the rubric and learning outcomes.</p> <p>... what "good" and "bad" portfolios are. It is important to have a clear understanding of the rubric and learning outcomes. It is also important to have a clear understanding of the rubric and learning outcomes.</p> <p>... the way we do it. We will be discussing the rubric and learning outcomes. We will be discussing the rubric and learning outcomes. We will be discussing the rubric and learning outcomes.</p>
