

Leadership Minor Advising – Biology 7-year Dental

2.1.25

Two notes:

1. Work with your advisor to see how transfer or AP/IB credits can help you out.
2. We recommend you take the introductory course as soon as you can. Usually, a core course can be delayed and taken a little later in your undergraduate program.
3. We recommend core courses so that the Leadership Minor does not add classes to your already packed schedule. This is called “double-dipping” and we use it a lot. Some courses can be counted in your major and minor or the university core and your minor. In fact, LEAD 2000 is a “triple-dipper”—
